**[PHQ4]** Over the last 2 weeks, how often have you been bothered by the following problems?

-[PHQ4_1]	Little interest or pleasure in doing things
-[PHQ4_2]	Feeling down, depressed, or hopeless
-[PHQ4_3]	Feeling nervous, anxious, or on edge
-[PHQ4_4]	Not being able to stop or control worrying
<1>	Not at all
<2>	Several days
<3>	More than half the days
<4>	Nearly every day
<99 fixed xor>	Prefer not to say

Question type: **Text**

Thinking about the past 7 days...

**Base: All adults**

Question type: **Open**

#integer Only

[Varlabel - Physical contact within the household]

**[i1\_health]** About how many people from your **household** have you come into physical contact with (within 2 meters / 6 feet)?

Range: 0 ~ 1000

**Base: All adults**

Question type: **Open**

#integer Only

[Varlabel - Physical contact outside the household]

**[i2\_health]** **Not including those people in your household**, about how many people have you come into physical contact with (within 2 meters / 6 feet)?

Range: 0 ~ 1000

**Base: All with symptoms**

Question type: **Open**

#integer Only

[Varlabel - How many times did you leave your home]

**[i7a\_health]** How many times did you leave your home yesterday? If you are not staying at home, how many times did you leave where you are staying yesterday?

Range: 0 ~ 100

**Base: All adults**

Question type: **Single**

#SPD Category: health  
[Varlabel - Incidence of testing for COVID-19]

**[i3\_health]** In the last 7 days, have **you personally** been tested for coronavirus (COVID-19?)

- <1> Yes, and I tested positive
- <2> Yes, and I tested negative
- <3> Yes, and I have not received my results from the test yet
- <4> No, I have not

**Base: All adults**

Question type: **Single**

#SPD Category: health  
[Varlabel - COVID-19 test results]

**[i4\_health]** In the last 7 days, has someone **in your household** been tested for coronavirus (COVID-19)?

- <1> Yes, and they tested positive
- <2> Yes, and they tested negative
- <3> Yes, and they have not received their results from the test yet
- <4> No, they have not
- <5> Not sure

**Base: All adults**

Question type: **Multiple**

#row order: randomize  
#SPD Category: health  
[Varlabel - Symptoms experienced]

**[i5\_health]** Thinking about the last 7 days... which, if any of the following, have you experienced? Please do NOT include symptoms you experience on a regular basis due to a health condition you already know about. Please tick all that apply.

- <1> Dry cough
- <2> Fever
- <3> Loss of sense of smell
- <4> Loss of sense of taste
- <5> Shortness of breath or difficulty breathing
- <99 fixed xor> None of these

Question type: **Text**

those with symptoms
